

Sebert Wood Primary School

Class Dojo Agreement

What is Class Dojo?

Class Dojo is an app, which provides parents and carers with a greater insight into the learning taking place in their child's classroom. This is done in a variety of ways, such as: photos, short descriptions of learning activities and videos. You may also receive reminders through Class Dojo about homework, trip payments or items needed for lessons.

What is Class Dojo not used for?

Although there is a messaging feature, Class Dojo is **not** being utilised as a communication link between parents and teachers. For all enquiries you should still contact admin@sebertwood.co.uk

In addition, we will not be using the behaviour points system on Class Dojo.

The role of school staff

- To post photographs, reminders, short descriptions of learning etc. to share with parents.
- Be aware of online safety and GDPR restrictions.
- Display photographs in line with parental consent.

The role of parents/Carers

- To use photos, videos and information to discuss pupils' learning.
- To continue to use admin@sebertwood.co.uk to contact the school.
- Not to share photographs, reminders etc. that are posted, on any social media sites.
