Some pupils thought an area of the field/Anderson Shelter area could be transformed into a multi games surface which Year groups could go on a rota to use. Mr Tottie to investigate possibilities with SLT and PE team.
6.	<i>School Pet</i>	<ul style="list-style-type: none"> Pupils would like the teachers to consider whether there was a pet which could be kept in school e.g stick insect or goldfish. They felt it was good for children to have the responsibility of looking after it.
7.	<i>Minecraft Education</i>	<ul style="list-style-type: none"> Some Year 5 pupils would like the school to use Minecraft Education in Computing. Mr Tottie will pass on the request to the Computing team.
