

Year 1 Home Learning Tasks

Summer 1 2025

Please complete the middle 'spelling' activity and **at least 2 other activities to make a row**. You could take pictures of your child doing these activities or they could draw/write them. If you think your child is able and would like to, they are welcome to write/draw as much as they can. They can also use this book for their weekly spellings. Please return this book to school the **week beginning 19th May** where your child will have the opportunity to show their work.

Have fun!
