

Y5 Home Learning Menu

Autumn 1 – 2025-2026

10 points	20 points	30 points	40 points
Find out 10 facts about the Maya and present it using a method of your choice.	Write a book review on a book of your choice.	Research the life and work of a famous print artist (e.g. Hokusai) and make a presentation of your findings in your chosen medium.	Create your own model of the solar system.
Bring in a recent news article and talk to the class about it.	Create a crossword, or wordsearch based on Earth and Space words.	Write 6 differences between the lives of the Maya people and the way you live today.	Devise a quiz about the Maya civilisation.
Collect 2000 coins on TimeTablesRockstars.	Create a poster explaining how to carry out column addition and subtraction. (To be completed, once these lessons have been taught in class)	Draw and label ten different animals in French.	Create your own planet and present information about it e.g. <ul style="list-style-type: none">• What is it made of?• How big is it?• Who or what lives there?

Each half term, children are expected to complete one piece of homework each week from the menu above.

It is up to you which homework you complete, however you should aim to achieve 120 points across the half term.

Completed homework will be rewarded with team points!
