

Y5 Autumn 2 Half-term Home learning Menu

10 points	20 points	30 points	40 points
Research French Christmas traditions. Present this in a form of your choosing.	Write a diary entry as Sir Isaac Newton just after he discovered gravity.	Read a book and create your own 'AR Style Quiz' with ten questions.	Make a map from your home to one of your favourite places. The more detailed the better!
Collect a written passage. Be the teacher and spot the SPaG mistakes, correcting them in a different colour pen.	Create a poster explaining equivalent fractions to younger children.	Collect a writing challenge from your teacher and complete it using amazing vocabulary.	Write a biography about Sir Isaac Newton.
Complete a reading challenge. Collect a sheet from your teacher for the full list!	Read a book of your choice. Write a review.	Take a photo or create a drawing of an interesting building in your local area. Explain your reasons for selecting the building and any of its uses.	Create a cardio workout to show to the class power-point, video, cards, etc.

For this half term, you are expected to complete a piece of homework each week from the menu. It is up to you which homework you complete, however you should aim to achieve 120 points.
