

### School Vision and Aims

Our long-term aim is the development of high-quality physical education and physical activity at Sebert Wood centred on utilising the PE and Sport Premium to enable the sustainable delivery of an excellent standard of PE, in addition to an increased level of sports available for the pupils to participate in out of school hours; every child will leave our school enthused, motivated and inspired to continue participating in sports.

### Key objectives

In order for Sebert Wood to achieve and maintain our vision we will focus on the following areas:

- Increase the subject knowledge of all teaching staff, utilising qualified coaches to upskill where appropriate
- Continue to be an active member of the School Games network to allow us to access qualified coaches, competitions and support so that all children increase participation in a wider variety of sports and competitions
- Employ our own sports coaches to support in the teaching of PE and Sport
- Improve the PE experience for all pupils in the school and increase participation in all sport (both curricular and extra-curricular)
- Monitor the teaching of PE and ensure it is of a high quality with clear progression for each year group

### Impact of PE Premium

Staff have benefitted from working alongside qualified coaches in sports such as dance, gymnastics, cricket and rugby. This increased level of participation in competitions and sport has resulted in Platinum award in July 2023.

### Participation in sport at Sebert Wood

Our 2022-23 levels of participation in formal sport in Key Stage 2\* are as follows:

- 82% of pupils have participated in sports clubs at school
- 100% pupils have taken part in intra-school competition
- 64% of pupils have taken part in inter-school competition
- 79% of pupils participate in sports activities/clubs outside of school

Use of funding/Actions	Costs	Progress to date
<p>Release time for PE leaders to monitor teaching of PE and have time to discuss planning and delivery of PE with staff team and subject governor.</p> <p>Attend Suffolk and BSP Sport conferences.</p> <p>Maintain School Games Mark (Platinum awarded in 2022-23)</p> <p>Undertake survey to ascertain levels of participation.</p>	<p>Staffing costs- £500</p> <p>Cost of PE scheme of learning- £300</p>	<p>Observations carried out leading to a sharing of best practice.</p> <p>Teachers and sport coaches using new PE scheme of learning.</p>

Equipment up-to-date and safety checks carried out.
<b>Total costs</b>	<b>£19,990</b>	

#### SUCCESS CRITERIA

- Pupils have access to a planned programme of high-quality inter-school sports competitions across the year. Maintenance of School Games Mark Platinum level
- Planning and delivery of PE across the school is of consistently high quality, through up-skilled staff and the pupil skills will be developed to a higher standard using new scheme of learning
- Access to coaching and specialist teachers and sports leaders from secondary schools and use of secondary school sports facilities as part of effective transition
- PE Leaders attend meetings and co-ordinate activities alongside school games co-ordinator
- Wide range of after-school clubs available to increase the level of participation by the pupils

\* This is Key Stage 2 pupils only, as **competitive** matches through the Bury Schools Partnership/School Games are currently for this age of pupils.

#### Note on swimming

We additionally have the capacity to increase our swimming tuition so that pupils who have not demonstrated the requirements of the National Curriculum (25m swim, effective range of strokes and safe self-rescue) by the end of Year 4 are able to have additional swimming lessons to enable them to achieve this by the end of Year 6. This is a curriculum requirement by the end of Year 6 which we aim to complete a year in advance. There were no swimmers in 2022-23 who required this.
