- Increase the subject knowledge of all teaching staff, utilising qualified coaches to upskill where appropriate
- Continue to be an active member of the School Games network to allow us to access qualified coaches, competitions and support so that all children increase participation in a wider variety of sports and competitions
- Employ our own sports coaches to support in the teaching of PE and Sport
- Improve the PE experience for all pupils in the school and increase participation in all sport (both curricular and extra-curricular)
- Monitor the teaching of PE and ensure it is of a high quality with clear progression for each year group
