Parent/Carer Update

Friday 17th March 2023

It was lovely to see so many of you at our Parent Consultation events this week. We hope you found the mid-year reports and discussions helpful. The children were excited about you seeing their work and we hope that you have a good idea of our next steps with your child.

We've had a very active day today, kicking off with our Huff & Puff session. Another thank you to the parents who could stay for this and to the legendary Mrs Harvey for leading it! Across the day children have taken part in a slightly damp Daily Mile. We're fortunate that one of our school values is resilience!

On Wednesday Year 4 children took part in a skateboarding workshop with trainers from ABC Skateboarding in Beccles. Staff were impressed by how quickly they found their balance and were on the move across the playground! We're always looking for exciting learning opportunities where children get to try out something new.

A huge thank you to our amazing Reception classes team who have prepared and put on four Mother's Day afternoon teas this week and for all the parents who came in to have tea with their child - we realise what a special event this is for both the children and parents.

Thank you for all your kind messages of support and encouragement for the permanent headship role. As I said earlier in the week, I feel privileged to be in such an important role where I can make a difference to the lives of so many children and their families.

Have a great weekend
Mr James Tottie, Headteacher
