

Sebert Wood Primary School

Parent/Carer Update

Friday 24th March 2023

Library Additions

This week we have taken delivery of some new shelving for our library, which has been kindly funded by FOSWS. Accompanying this are some great new texts we've bought using money raised from the book fair. Our library will have a new-look 'Reading for Pleasure' focus after Easter; we will be inviting parents in to share some of our great new books with the children!

Sporting Update

Our Year 6 footballers performed brilliantly at the EFL competition in Wycombe yesterday. Representing Ipswich Town FC, having won the regional finals, they played against teams from across the country including Plymouth, Exeter, Cambridge, Bristol Rovers and Portsmouth. A big thank you to coaches Mr Savory and Mr Bugg, as well as our supportive parents who made the long journey.

The boys are now preparing for another competition in Thamesmead on Wednesday which we wish them good luck for.

Message from the FOSWS Team

Following on from a busy month for FOSWS we have raised a fantastic £1300 from the quiz and the disco being held today. If you have any ideas for future events we'd love to hear them to see if it's something we can facilitate. Whether that be children only events, family events or more adult only events like the quiz. Send us an email: foswsteam@gmail.com

As always, we thank you all for your continued support. Please keep a look out for some exciting projects that we will be announcing soon!

Sebert Singers – Spring Concert

Sebert Singers and the Bury St Edmunds Youth Band will be performing a concert on Friday 5th May at Christ Church Moreton Hall. Please find attached the poster with details on how to purchase tickets.

Should you be available on the evening to help serve refreshments, please email the office on admin@sebertwood.co.uk and we will pass your details on.

Early Years Weekly Update

As a reminder, the weekly updates for both Nursery and Reception can be found on Tapestry.
