

Sebert Wood Primary School

Parent/Carer Update

Friday 5 May 2023

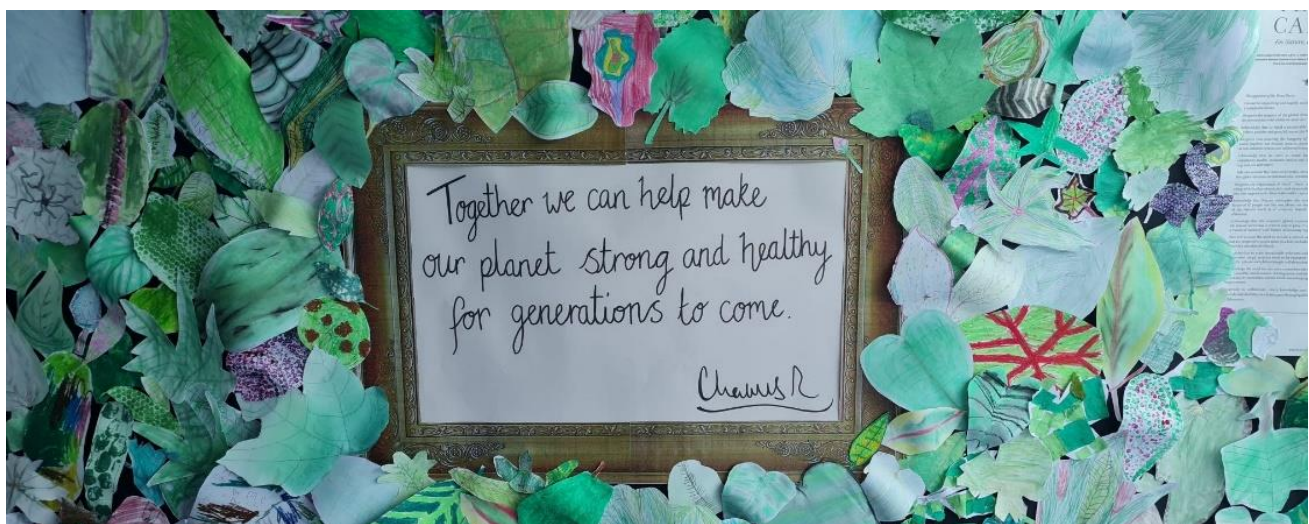

Dear Parents and Carers,

We have marked the Coronation in style at Sebert Wood! Over the past weeks each yeargroup has worked together to produce a new coin, inspired by art styles or artists they've focused on this year. These are now hanging proudly in our library – we're sure you agree that they look great!

To mark King Charles' passion for the environment, children worked in pairs this morning to make leaves. They worked with children from another yeargroup to do this, and different classes used different art materials. It was lovely to see younger and older pupils working so well together. Mrs Howell, our art leader, has compiled a display at the entrance to the school.

This afternoon, children enjoyed a coronation tea party, with red white and blue cupcakes made by our kitchen team. Each child received a packet of seeds to plant, kindly funded by FOSWS. Thank you to everyone who made today such a success.

Mr James Tottie, Headteacher, and Mr Jamie Winch, Acting Deputy Headteacher

Online safety guidance

A new guide has been added to the Online Safety section of our school website for the app Wizz. It is a networking app which allows users to connect and chat with other people around the world. Despite its age verification processes and security checks, National Online Safety has raised concerns about the possibility of young people being matched with much older users. They have advised that trusted adults should familiarise themselves with how this trending app works.

Good Citizen

Luca N (Y3) has done an amazing job, litter picking in his break and lunch time throughout the week. He's really passionate about looking after the environment. Definitely a future Eco Leader!
