## Parent/Carer Update

Friday 16<sup>th</sup> June 2023

Dear Parents and Carers

We have had a busy and excitable time in school this week. Nursery children enjoyed their sports afternoon on Monday and did well to battle the heat! Year 1 children had a chance to show off their phonics skills in the Phonics Check and exceeded teachers' expectations. Year 4 pupils undertook the multiplication check and did a great job of staying calm, thinking carefully and following instructions. Primary school children face a range of academic challenges during their time with us and our value of resilience helps children to overcome their fears. One of our new school rules is "try your best" – these children certainly did that this week. Well done everyone!

Have a great weekend

Mr J Tottie, Headteacher, and Mr J Winch, Deputy Headteacher

### Book Donation

Thank you to Taylor Wimpey builders, who donated another £200 of Usborne books to us. We have some happy librarians!

### Milkshake

With the change in weather we've switched our 'gold' Friday treat to milkshake rather than hot chocolate. Our pupils were very pleased!

## And finally...

This week in Reception children have watched eagerly as a number of eggs hatched into chicks. Today we had a webcam streaming the chicks' activities onto the display screens in both classrooms. Adults across the school have enjoyed their presence as much as the pupils have!
