Parent/Carer Update

Friday 7 July 2023

Dear Parents and Carers,

It's been an action-packed week, with Sports Days taking place for each yeargroup from Reception to Year 6. It was lovely to see enthusiastic children, proud parents and bright sunshine! Our PE leads and sports coaches work hard to plan progressively more complex events across different key stages. Our thanks to them for organising the days, and to the older pupils who did such an admirable job running events for the younger pupils. We shared some great photos on Dojo this week – thank you to everyone who was able to come and join us.

We hope you were happy with your child's report this week – we are proud of the progress the children have made this year.

Today we look forward to seeing many of you at the FOSWS Summer Fayre. Events such as this are not only fun, safe and full of community spirit, but they provide vital funds for resources the school might otherwise not afford. We're grateful to the committed team of volunteers who plan and run the event – thank you FOSWS – and to each of you who are able to support the event. We hope you have a lovely time!

Have a great weekend,

Mr James Tottie, Headteacher, and Mr Jamie Winch, Deputy Head

We are encouraging children to walk, cycle or scoot to school on **Tuesday 18th July**. Let's see how many active journeys to school we can record!!

Pupil achievements

Well done to Sophia, Bella, Faye, Feliks and Annie who took part in the annual Music Medley show over the weekend. Mr Tottie enjoyed watching the performance.

Harvey C13 has been awarded his brown belt after passing his grading on the 24th June. Well done Harvey - the black belt is not too many belts away now!

We are very proud of Izzie in C11 who auditioned, and was successful in obtaining a part, for the Wizard of Oz at the Theatre Royal. Look out for the promotional material should you wish to see the show between Friday 18 August and Saturday 2nd September.

Congratulations also to two pupils from Class 11 who were offered places at DanceEast Centre for Advanced Training. They have recently completed two rounds of auditions against people from all over the East of England to be offered two of the 25 places available.
