Parent/Carer Update

Friday 17th November 2023

Dear Parents and Carers,

Firstly, we would like to say a huge thank you to our whole school community for all their efforts this week with the Ofsted inspection. The well wishes and messages of support from parents and carers were greatly appreciated. We are so fortunate to have such fantastic backing from our families. The outcomes of the inspection will be shared with parents when the final report is ratified. Until this date, it remains strictly confidential. Please note, this can be a lengthy process.

Anti-bullying Week has been held across the school. It has been a time for us to think about how we can develop positive relationships in school based on dignity and respect, take a proactive approach to preventing bullying and also support those who have faced or are facing bullying. This year's theme is 'Make a noise about bullying'. In assemblies, we discussed what bullying means, how 'banter' and teasing can turn into something more hurtful, and what we can do to stop bullying.

Fit Friday got off to an energising start today with 'Huff and Puff' on the playground. Thank you to Mrs Harvey and her Year 5 helpers for their inspirational dance moves. Throughout the day, children will be taking part in the 'Bearpees Challenge', pushing themselves to see how many burpees they can complete in 10 minutes! Donations for 'Children in Need' are gratefully received and make a difference to the lives of young people across the UK.

Have a great weekend,

Mr James Tottie, Headteacher

Mr Jamie Winch, Deputy Head
