## *Parent/Carer Update*

Friday 2<sup>nd</sup> February 2024

Dear Parents and Carers,

This week we said farewell to our visitors from Lianhua Primary School, China, who have been working with Year 6 pupils over the last fortnight. Cultural exchanges such as this are so rewarding for all involved. It was fascinating to see how our pupils and the overseas students worked together effectively despite some language barriers.

Next week, we look forward to celebrating Safer Internet Day, with the learning based around the theme 'Inspiring change? Making a difference, managing influence and navigating change online'. We'll also be taking part in the Active Travel Tuesday on the same day, so bicycles and scooters at the ready! We will also see many of you on Thursday at the first of our spring term parent consultation evenings.

Have a great weekend,

Mr James Tottie (Headteacher) and Mr Jamie Winch (Deputy Headteacher)

### Wellbeing Champions

Our Wellbeing Champions in Years 5 and 6 delivered some wonderful assemblies on 'resilience', one of our whole school values, this week. Thank you to Maggie M, Layla B, Alyssa T, Abbie C, Julia K and Emily N for presenting so many top tips on how to overcome tricky challenges. The interactive hoop activity was a great way of demonstrating how teamwork and determination can lead to success.

## Sporting Success

Our Y4 dodgeball and Y5 and Y6 tchoukball teams have recently participated in inter school competitions. The Year 4 dodgeball team won their competition and will now take part in the county finals. Our mixed Y5 and Y6 tchoukball team came a very impressive third out of twelve teams. We're going to need to order a larger trophy cabinet at this rate, well done everybody!

## Measles Update

Further to our recent update on measles and the importance of children having the MMR vaccine, Suffolk County Council have confirmed that vaccinations can be booked through the child's GP practice or by booking an appointment directly by calling the Community and School Aged Immunisation Service on 0300 55505055. The service also welcomes email enquiries to [hct.csaissuffolk@nhs.net](mailto:hct.csaissuffolk@nhs.net)

## TTRS

Our next Times Table Rock Stars battle starts today with each year group from Years 2-6 competing against one another. The battle concludes on Thursday morning. Good luck everyone!

## Outside of school

Emilia and Julia (Y5) took part in a girls' football festival at Hardwick Primary School on Saturday 20<sup>th</sup> January, braving the chilly conditions. Well done to both girls for some great positioning, passing and goals!
