

Sebert Wood Primary School

Parent/Carer Update

Friday 21st June 2024

Dear Parents and Carers,

As we move towards the summer break, the children in many year groups have been busy completing their end of term assessments which are used to inform teacher judgements on attainment and progress across the curriculum. This information is then shared with yourselves in the end of year reports on Friday 5th July. Please note, the content of these reports will be similar to the mid-year reports issued in the spring term. This is because we believe that teachers can give more thorough and personal feedback about your child's achievements and next steps in learning in a face-to-face meeting than a written report. On Thursday 11th July and Monday 15th July we will be holding our summer term parent consultations and we would encourage you to book in for an appointment when they go live on the system at midday on Wednesday. *More information will follow next week.*

We hope to see as many of you as possible attending our Year 6 Enterprise Project fundraising event on the school field from 3.30- 4.30pm on Monday. Make sure you have plenty of loose change to spend!

Mr James Tottie and Mr Jamie Winch

Parent Governor

We are delighted to welcome Mr Poole as a parent governor. He brings to the role many attributes and experience which will enhance the governing body. There is still one remaining vacancy for parent governor. If you are interested in this opportunity please contact admin@sebertwood.co.uk

Playground

Please can we ask that children and parents leave the site as soon as possible after collection as our afterschool club and lettings use the playground and field, especially in the summer term. Thank you for your understanding with this matter.

Achievements outside of school

Jude W-B (Y1) was scouted in a local football match at the start of the year by both Cambridge United and Norwich City. After successful trials at both clubs, he has been selected for the Pre-Academy U7's with Norwich City. Well done Jude, a fantastic achievement.

Holiday Provision

Please see attached details about our Sebert Wood summer holiday camp. We are delighted that we are now able to offer parents and carers childcare provision on site throughout the summer break.
