

Sebert Wood Primary School

Parent/Carer Update

Friday 14th June 2024

Dear Parents and Carers,

This week we have seen many wonderful examples of children demonstrating our school values, in particular, resilience. Our Year 5 pupils have taken to the playground and then the local neighbourhood, on their bikes as part of their Bikeability course. For some this was initially a nervous experience, however with practice and determination, they have worked hard to achieve their Level two qualification.

Our Year 1 pupils have been completing their phonics check, showing how many different sounds they have learnt in school. They even had to read lots of tricky 'alien' words! Well done!

Meanwhile, Year 4 pupils enjoyed a two-night residential trip at Aylmerton. They have had an amazing time on the coast: seal watching, exploring rock pools and pirate parties. This will be a memorable trip for all, especially as it was the first overnight trip away from parents for many. We thank the staff who accompanied the pupils and kept us updated on Class Dojo throughout, despite the 4.30am wake up!

Lastly, the Reception base has been home to some exciting visitors during the past fortnight. The younger children watched the eggs hatch on day two and welcomed eight delightful little chicks into this world. It has been a fantastic experience for the pupils, who have learnt about the conditions required for the hatchlings to survive and grow.

Have a super weekend - come on England!

Mr James Tottie and Mr Jamie Winch

Summer Libraries Challenge

Suffolk Libraries launches Reading Quest

Reading Quest is the new summer reading programme created by Suffolk Libraries, that aims to build a fun summer of reading for children and their families, maintaining literacy levels in the process. This year, the organisers have decided to change the format to create something more bespoke to Suffolk. Reading Quest is based on a large map of the county which highlights local landmarks and stories from the past.

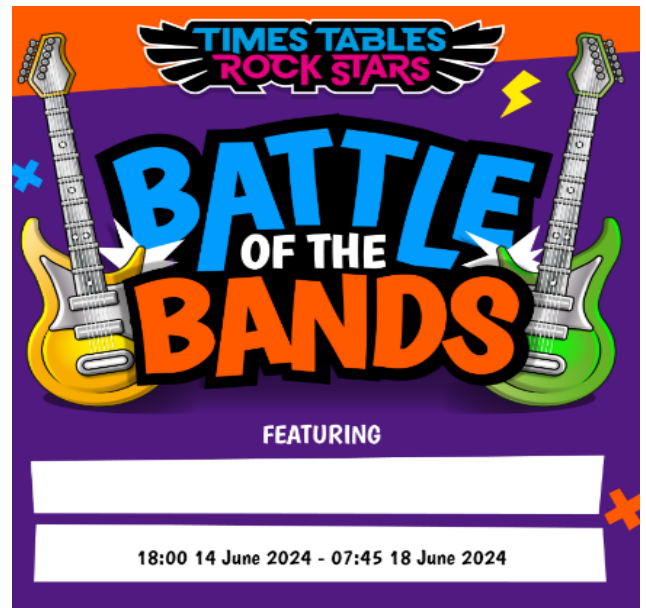

[Introducing Reading Quest - where will reading take you this summer? Suffolk Libraries - YouTube video](#) promotes this exciting new summer reading programme. Children can sign up to take part by visiting their local library from 13th July.

More information can be found on the [Suffolk Libraries website](#).

TTRS battle

Can anybody beat Year 4 in our next battle? Maybe they will be tired after their residential trip?! This week it's year group v year group...

Sebert Woodstock Summer Festival

FRIDAY 12TH JULY

 ★ CHILDREN 5-13 £8
 ★ UNDER 5's £5
 ★ UNDER 3's FREE

FOSWS Summer Fayre

Pupils will be bringing home an order form for Sebert Woodstock tickets today. We hope to see as many of you attending this fun event on Friday 12th July as possible. All profits are reinvested into the school, helping to subsidise school trips and purchase equipment such as iPads and Chromebooks amongst other projects.

Parking

The safety of our school community is paramount. We have had many concerned staff, parents and local resident contact us recently regarding dangerous parking at drop off and collection times. The local PCSOs will be monitoring in coming weeks. Please park responsibly and safely. The local car parks are just a short walk away.
