Parent/Carer Update

Friday 28th June 2024

Dear Parents and Carers,

Part of a school's duty is to prepare its pupils for the 'real' world. This week we have seen two fabulous examples of this, starting with the Year 6 Enterprise Project fayre after school on Monday. The children had so many creative, entrepreneurial ways of generating a profit from an initial £5 investment per group. These included ice cream sales, 'soak the teacher' stalls, football shootouts and personalised merchandise. Overall, an impressive £1500 was raised. This money will be used for Year 6s' end of term celebrations as well as their 'legacy' purchases. On Thursday, our Year 1 pupils visited Quality Eats, where they paid for their tasty treats and worked out their change. They were very excited to show how independent they could be.

We are proud of the fantastic opportunities we offer our pupils across the breadth of the curriculum. Over the last week we have had three sports team representing the school in athletics, cricket and futsal, the latter two being county level competitions held in Ipswich. Well done to all the pupils that took part in these and thank you to the staff and parents for transporting.

On Tuesday, Year 2 visited Hedingham Castle as part of their topic work. They learnt about the different parts of the castle and took part in various activities, including training to be a knight!
The following day, our Year 5 pupils took part in the WCET music festival at Ashlar House, where they demonstrated how much they have learnt on their cornets and baritones during the last year of county music tuition.

Next week promises to be just as busy with sports days, a zoo trip, a Wimbledon excursion and a five-day residential trip to Eaton Vale!

Have a super weekend,

Mr James Tottie and Mr Jamie Winch
