

Sebert Wood Primary School

Parent/Carer Update

Friday 17th January 2025

Parent/Carer Consultations

A reminder that booking for our Spring term consultation evenings opens next week.

Sunshine class and Year 1-6 appointments will take place on:

Thursday 6 February 4pm-6.55pm
Monday 10 February 3.45pm-6.40pm

Rainbow class appointments will take place on:

Wednesday 5 February 4pm-6.55pm
Monday 10 February 3.45pm-6.40pm

In order for the consultation to run smoothly it is important the appointments do not overrun the allocated 10 minutes. However, if you want to discuss a specific issue you think will take longer, then a separate appointment can be made at another time.

The online booking system opens **at midday on Monday 20 January** and will close at midday on Monday 3 February.

To book your appointment visit, <https://sebertwoodschoo1.schoolcloud.co.uk>. Should you have any difficulties viewing/accessing the system, please contact the school office on admin@sebertwood.co.uk.

British Science Week

As we prepare for Science Week at Sebert Wood, we would love to invite parents who work in the science industry to contribute to the event. If you are employed in a scientific field and would be willing to share your expertise with our students, we would be thrilled to have you participate!

We are looking for volunteers to run hands-on activities or give a talk about your career and the exciting work you do. Your involvement would inspire and educate our students, offering them a real-world connection to the science concepts they are learning.

If you're interested, please let us know by 31st January 2025 by emailing admin@sebertwood.co.uk.

Thank you for considering this opportunity to engage with our school community and help make British Science Week (7th- 16th March) memorable!

Mr Turner and **Mrs Cass**, school science leads

Half-term clubs

We have arranged holiday clubs for every day of the half-term break. Details are available on our website – please click [here](#) for more information.

TikTok

TikTok provides reels of short clips intended to entertain, educate and more. With the platform reaching huge popularity among the younger generation, it's vitally important for parents to understand the risks it poses.

On our school website, we have updated our parents' guide which lets you know about the most prominent potential dangers associated with TikTok. It offers expert advice on how to safeguard youngsters who are navigating the site – please click [here](#) for details.

Sporting Success

Yesterday morning two of our Year 6 pupils took part in a regional cross-country event, against some of the best runners in East Anglia. Emilia came 85th and Ollie came 102nd. Both children can be extremely proud of their efforts – we hope you will join us in congratulating them!

Further to this, our Year 5 and Year 6 Futsal teams took part in a School Games competition at King Edward VI last week. Both teams competed well against strong opposition. Our Year 6 team were the overall winners and Year 5 were semi-finalists. Well done to everybody that took part.

Parent Support

A number of parent workshop and support sessions around child mental health are coming up. These are arranged by various external providers – please see attachments to this email for details. We know many of our parents will find these useful.

Job Vacancy

We are advertising for a relief caretaker to cover sickness. This is a part-time role comprising a couple of hours of work from around 5pm. For more details, please visit our website.
