Parent/Carer Update

Friday 29th November 2024

Our new Anti- Bullying ambassadors write:

On Wednesday we went to County High School for Anti-Bullying ambassador training. We learnt about different types of bullying and how to stop it. We learned absolutely bucketloads of tips and ways to help children such as it is bad if children are feeling any of the three U's (upset, uncomfortable, unsafe). We also learned VIP shows the three types of bullying which are verbal, indirect and physical.

We think that bullying should stop once and for all because it is a horrible horrible thing. We should do lots of assemblies and put up lots of posters around the school. Now we want to make a great difference throughout our school and community and stop bullying for good!

Outside of school

Huge congratulations this week go to Seb in Class 12, who recently took his Grade 2 piano exam. He achieved a distinction, gaining the highest mark possible. This is a fantastic feat – congratulations Seb!

French penpals

Our Year 6 pupils are putting their language skills to the test by becoming pen pals with pupils in France. This week they made Christmas cards for pupils at a Roman Catholic school in the centre of Paris! The children made a fantastic job of their chosen designs, and Mrs Liddle will post them later this week. Both classes are really excited to get their replies!

Online Safety

Last week Roblox, the game used by 90 million people daily, announced some major updates which are available to users and parents. The rollout has already started and will be fully implemented by March 2025. These safety updates include:

- Limits to how children under 13 can communicate.
- Parental controls accessible from the parents phone rather from the child's device (remote management).

For an explanation of all the new features visit the Roblox website [here](#).

Daffodils

Kasper (Y4) and his family have kindly spent time planting over 300 Dutch Master daffodil bulbs along the fence at the front of the school and in the school entrance. They have done a brilliant job – our thanks go to him and his family as well as to de Jager Company who donated the bulbs. We look forward to a beautiful display in the Spring!
