

Sebert Wood Primary School

Parent/Carer Update

Friday 10th January 2025

Dear Parents and Carers,

A warm welcome back to you all after the Christmas break – the children have been full of news about what they got up to! We have an exciting term ahead of us with new pupils joining our nursery, our Year 2 pupils swimming with the school for the first time, World Book Day and our Year 6 pupils gearing up for SATs later this year. We will also be sharing mid-year reports at our parent consultation evenings next month – more details to follow.

Our FOSWS fundraising group co-ordinated three activities leading up to Christmas. The Sebert Sings event, Elf The Teacher and Christmas Card purchases raised an incredible £2426 for the school. This money will make a real difference to pupils by funding things which might not otherwise be possible. A huge thank you to all parents and carers who helped raise this money, and to the members of FOSWS for their time and dedication.

As we have now embedded Class Dojo as a way of teachers sharing what's going on in the classrooms, we want to review our other communication methods – particularly this newsletter. If you have any thoughts or ideas about the frequency of the letter, its contents, what you'd like more of or its format, please email jamie.winch@sebertwood.co.uk. We want to make sure you're kept up to date with relevant information but don't want to send letters for the sake of it.

On Tuesday 21st January we will host a coffee afternoon led by Family Action, a charity supporting parents of children who have some form of neurodiversity. This is organised by the West Suffolk Neurodevelopmental Service – more details are about this are attached. If you are interested in attending the session please let us know via admin@sebertwood.co.uk so we have an idea of numbers.

Finally, some staffing news – Miss Rebecca Bridgeman has decided to retire from teaching at the end of this academic year. Miss Bridgeman currently teaches in year 3 but has taught in a range of yeargroups, in addition to leading the development of geography, modern languages and supporting trainee teachers.

Have a great weekend,

Mr James Tottie and Mr Jamie Winch
