Parent/Carer Update

Friday 27th June 2025

Bury In Bloom

You may have noticed the train-themed flower planters around our classrooms.

These are being entered in Bury in Bloom – judges are due to visit at the beginning of next month. Children are doing a great job of nurturing their plants! Thank you to parents who donated plants for this.

Sports Days

Wednesday

KS1 Sports Day (gate open at 9.45am, start 10am)

Reception (gate open at 1.45pm, start 2pm Reception pupils can go home with parents after the event)

Thursday

LKS2 Sports Day (gate open at 9.45am, start 10am)

Friday

UKS2 Sports Day (9.15am coaches leave school, 9.45am arrival of pupils and parents, 10am start time)

The main pedestrian gate on Sebert Road will be opened at 9:45am for you to enter the school site. Please note the gate on Raedwald Drive will **not** be opened for this event.

The gate in between the office and Year 4 will be shut but unlocked should you wish to leave during the event however the main pedestrian gate will be locked so please therefore buzz the intercom to be let out.

Sport

A group of Year 5 and 6 pupils attended an inter-school athletics session at the leisure centre yesterday. Children took part in a range of events including sprinting, relay, throwing and jumping. We entered two teams, with team A (pictured above) being crowned winners. Our pupils thoroughly enjoyed themselves, with everyone trying their best and displaying excellent behaviour.

Cooking

Our Year 5 pupils have had a busy week – not only have most of them been out completing their Bikeability training, but they've also been busily preparing veggie muffins as part of their Design and Technology work! Our thanks go to Sainsbury's for their kind donation which made this possible.

Sebert Singers

Last Sunday our Sebert Singers group gave an incredible performance at the Theatre Royal. They sang several pieces by themselves and performed a Queen medley backed by the Youth Band. They demonstrated all three of our school values and did a brilliant job of overcoming any nerves. Well done to everyone involved!

Outside of School

Some of our Year 4 pupils took part in two shows last weekend for Academy of Movement. Olly, Niamh, Sophia, Amelie, Eliza and Sophie showed off their circus, aerial and acrodance skills. They were confident and great performers – well done everyone!

Hugo (Year 3) and Myla (Year 4) have been awarded their 10th KUP belt in Kickboxing, following an exam at Fighting Fit. Their practise and resilience has paid off – what an achievement!

Scooters and bikes

We have had complaints about children riding bikes and scooters on school grounds before and after school. This makes the school site difficult to navigate and has caused several near-misses. Please don't let your children use their bikes or scooters until they have left the school site.

Fundraising

Poppy (Year 6), Beatrice (Year 6), Freya (Year 3), Rosie (Year 1) & April (Nursery) have taken part in the Waterbabies Splashathon this week raising £490 for the charities Tommys and Children's Alliance. Well done to all of them for their efforts and kindness!
