

Sebert Wood Primary School

Parent/Carer Update

Friday 30th January 2026

Dear Parents and Carers,

This week our Year 4 pupils have been on their first residential trip at Hilltop Outdoor Centre in Sheringham. They have undertaken adventures in the treetops, faced a 7km coastal hike, enjoyed campfires and kicked back with a movie and hot chocolate. The children have been brilliant in supporting and praising each other, developing resilience and team building. Their behaviour has been brilliant and they were great ambassadors for the school – well done Year 4!

In school, our pupil librarians have been making plans for how we celebrate World Book Day. They have decided that children can either dress as a book character or wear pyjamas/comfy bedtime story clothes. We will also be hosting a book fair in the lead up to World Book Day, and the librarians will run a cake sale to buy books for any children who have few books of their own. Watch this space for more details!

Have a great weekend,

Mr James Tottie and Mr Jamie Winch

Late collections

Any pupils who are not collected from school by 3:40pm will be taken to our After School Club until collected. Parents/carers may be charged for this.

SEND support

Understanding children and young people's behaviour as a communication need.

We all communicate through behaviour.

SENDIASS is hosting a relaxed online session for parents and carers exploring how to support the communication skills of children and young people, through our own responses, to better understand their behaviour.

Specialist teachers from the Speech, Language and Communication Needs Service will deliver the session. This team is part of the of the Specialist Education Services in Suffolk, which support schools to support pupils with different special educational needs.

25th February 10am – 11:30am

[What parents have said about this session:](#)

'This was a really helpful session.'

'Such valuable information!'

Times Table Rockstars Result

Congratulations this time to Year 6 with a resounding win! Well done to everyone who took part.

 Year 6	25,193
 Year 4	6,686
 Year 5	3,413

Toys

This week we have seen a lot of toys, gadgets, keyrings etc in school – these are a distraction to learning and often cause arguments or upset when they go missing. Please remind your child that toys should stay at home, and keep an eye out for anything smuggled in pockets!
