Parent/Carer Update

Friday 26th June 2026

Dear Parents and Carers,

Our pupils and staff have demonstrated incredible resilience this week during the heatwave. They have persevered admirably with their learning albeit with some adaptations to make everybody more comfortable. Many of our children featured in the filming for a school promotional video this week. The film crew were very complimentary of the skills, knowledge and attitudes demonstrated by our young people.

The recent sunshine has led to lots of fun outdoor learning and our pupils have been particularly active this half-term, with the FOSWS Tech Trail taking place last week which raised more than £3,500.

On Wednesday, Year 6 pupils held their Enterprise Fair on the school field which was well attended by the whole school community. We were all impressed by the entrepreneurial spirit and marketing strategies demonstrated. We expect to see some of our pupils on Dragons Den in the future!

Next week, we look forward to the Reception, KS1 and LKS2 sports days and wish Year 6 a fantastic time on their residential trip to Eaton Vale.

Have a relaxing weekend,

Mr James Tottie and Mr Jamie Winch

Outside of School

Congratulations to Carter (Year 5) who passed his karate exam in Ipswich. He is now brown belt, an amazing achievement!

Several of our talented pupils took to the stage to perform in the latest Music Medley show, 'Pop Around the Clock' on the 13th June at the Apex. All that took part were a credit to the school. Super effort!

Congratulations to Zebb (Year 5) and Effy (Year 3), who recently performed to an audience of 1,200 people in Northampton Royal & Derngate Theatre alongside students from five other Theatretrain companies.

This week our successful Year 6 football team completed a league and cup double! They also defeated the All Stars team, combined players from the rest of the teams. Thank you to all of our parent volunteers who kindly give up their time to coach the teams.
